General Evidence.

Labor certification. Petitions for certain classifications must be filed with a certification from the Department of Labor or with documentation to establish that the alien qualifies for one of the shortage occupations in the Department of Labor's Labor Market Information Pilot Program or for an occupation in Group I or II of the Department of Labor's Schedule A.

A certification establishes that there are not sufficient workers who are able, willing, qualified, and available at the time and place where the alien is to be employed and that employment of the alien, if qualified, will not adversely affect the wages and working conditions of similarly employed U.S. workers. Application for certification is made on Form ETA-750 and is filed at the local office of the State Employment Service. If the alien is in a shortage occupation, or for a Schedule A/Group I or II occupation, you may file a fully completed, uncertified Form ETA-750 in duplicate with your petition for determination by INS that the alien belongs to the shortage occupation.

Ability to pay wage. Petitions which require job offers must be accompanied by evidence that the prospective U.S. employer has the ability to pay the proffered wage. Such evidence shall be in the form of copies of annual reports, federal tax returns, or audited financial statements.

In a case where the prospective U.S. employer employs 100 or more workers, a statement from a financial officer of the organization which establishes ability to pay the wage may be submitted. In

appropriate cases, additional evidence, such as profit/loss statements, bank account records, or personnel records, may be submitted.

Translations. Any foreign language document must be accompanied by a full English translation, which the translator has certified as complete and correct, and by the translator's certification that he or she is competent to translate the foreign language into English.

Copies. If these instructions state that a copy of a document may be filed with this petition and you choose to send us the original, we may keep that original for our records. Copies may be submitted of all documentation with the exception of the Labor Certification which **must** be submitted in the original.

Processing Information.

Acceptance. Any petition that is not signed or is not accompanied by the correct fee will be rejected with a notice that it is deficient. You may correct the deficiency and resubmit the petition. However, a petition is not considered properly filed until accepted by INS. A priority date will not be assigned until the petition is properly filed.

Initial processing. Once the petition had been accepted, it will be checked for completeness, including submission of the required initial evidence. If you do not completely fill out the form, or file it without the required initial evidence, you will not establish a basis for eligibility, and we may deny your petition.

Decision. If you have established eligibility for the benefit requested, your petition will be approved. If you have not established eligibility, your petition will be denied. You will be notified in writing of the decision on your petition.

Meaning of petition approval.

Approval of a petition means you have established that the person you are filling for is eligible for the requested classification.

This is the first step towards permanent residence. However, this does not in itself grant permanent residence or employment authorization. You will be given information about the requirements for the person to receive an immigrant visa or to adjust status after your petition is approved.

Penalties.

If you knowingly and willfully falsify or conceal a material fact or submit a false document with this petition, we will deny the benefit you are seeking and may deny any other immigration benefit. In addition, you will face severe penalties provided by law and may be subject to criminal prosecution.

Privacy Act Notice.

We ask for the information on this form and associated evidence to determine if you have established eligibility for the immigration benefit you are seeking. Our legal right to ask for this information is in 8 USC 1154. We may provide this information to other government agencies. Failure to provide this information and any requested evidence may delay a final decision or result in denial of your request.

Paperwork Reduction Act Notice.

A person is not required to respond to a collection of information unless it displays a currently valid OMB control number. We try to create forms and instructions that are accurate, can easily understood, and which impose the least possible burden on you to provide us with information. Often this is difficult because some immigration laws are very complex. The estimate average time to complete and file this application is as follows: (1) 20 minutes to learn about the law and form; (2) 15 minutes to complete the form; and (3) 45 minutes to assemble and file the petition; for a total estimated average of 1 hour and 20 minutes per petition. If you have comments regarding the accuracy of this estimate, or suggestions for making this form simpler, you can write to Immigration and Naturalization Service, HQPDI, 425 I Street, N.W., Room 4034, Washington, D.C. 20536; OMB No. 1115-0061.
DO NOT MAIL YOUR COMPLETED APPLICATION TO THIS ADDRESS.
